## **SOMETHING FOR EVERYONE. Reptile Polarized Sunglasses**

combine style and function in its latest collection made up of 34 high-definition polarized sunglasses. Reptile's AMP™ (Advanced Multi Protection) lens system in TPC-X™ or Polonium™ lenses provide HEV protection, though frames are available without sun lenses for Rx use. The square shaped, retro-inspired **Agamid** frames boast 5- and 7-barrel riveted hinges and mitered temples. Designs are available in three colors, including one two-toned design, and offer multiple lens colors. Women's models come in colorful zyl and aviator metal wrap frames. **GET IT NOW: REPTILE POLARIZED SUNGLASSES, 800.625.1880, REPTILESUN.COM**

**HYBRIDS ARE MORE THAN GOOD FOR THE ENVIRONMENT. Scheyden Precision Eyewear's new Revelry**, a smaller version of the Revelstoke sunglass, fuses a cedar-rolled composite frame with hypoallergenic NiAg temple cloisonné tips. The unisex **Composite Hybrid** collection, which includes two other styles, provides full-wrap coverage and is available in gloss black and havana tortoise. **GET IT NOW: SCHEYDEN PRECISION EYEWEAR, 800.851.2758, SCHEYDEN.COM**

**FEELIN' SUPERSTITIOUS?** With 13 new frames in this season's collection, "unlucky" is not in **Skechers'** vocabulary. **Style Nos. SK 8004** and **SK 8005** embody classic aviator shapes, while adding innovations such as open metal bridges and rich metallic finishes. The rockin' new men's styles scream "chic" with Gothic G photo incision logos at the temples. Glamour is never far from the woman wearing **Style Nos. SK 7000** to **7002**. The fashion gradient lenses and tattoo graphics balance the frames' handmade acetate temples, while rectangle, wrapped, and aviator shapes make the collection fresh and edgy. All frames come with polycarbonate lenses, while Style Nos. SK 8004 and SK 7000 are Rxable. **GET IT NOW: VIVA INTERNATIONAL GROUP, 800.345.VIVA, VIVAGROUP.COM**

**CULTURE SHOCK.** Anarchy's latest styles have featured the work of several notable artists. The newest is the limited-edition **Hydro74 x Anarchy Status**, created by Hydro74 himself, whose real name is Joshua M. Smith. Smith's signature style of combining unlike images and patterns make for bold temples and the bright turquoise, black, and white strokes create a flattering contrast within lines and shapes. **GET IT NOW: QUANTUM OPTICS, 800.426.6396, ANARCHYEYEWEAR.COM**
